Filing Date: April 3, 2001
Title: PERFORMING PREDICTIVE MAINTENANCE
ON EQUIPMENT
Inventor(s): Michael Wetzer et al.
Our Case No.: 10022-028

Dear Ms. Green:

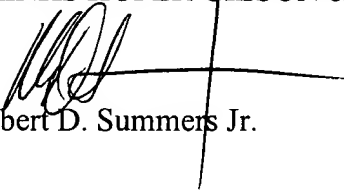

Thank you for speaking with me today regarding the lost status of the USPTO the paper file for the above-identified patent. Please find enclosed copies of all the papers to and from the USPTO from our paper copy of the file. Please let us know whether you have received all the documentation required to reconstruct the paper file.

Please also let us know when we can expect a decision regarding the Petition to Correct Inventorship that was filed with the USPTO on December 22, 2005.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

BRINKS HOFER GILSON & LIONE
